

The Roots Building

1818 North Hubbard Street

This certificate is presented in an ongoing effort to recognize design excellence throughout Milwaukee. Recipients have added value to their neighborhood by restoring, constructing or enhancing their properties in a way that respects the urban fabric and contributes to the character of their surroundings.

Perching deftly cliffside with panoramic views of downtown, this rich assembly of restaurant, dining terraces, hillside overlooks and steps becomes an exciting destination point and bridge between the old-fashioned traditional neighborhood of Brewers Hill, and the new-fashioned urban neighborhood of Beer Line “B” nestled along the Milwaukee River.
